

Expenses Deductible for Income Tax Purposes by Self-Employed Individuals Form

Please complete the following form and correct any erroneous information

1. Personal Information

Being self-employed in a business or profession or in commission sales, means you are engaged in any activity involving the purchase of goods or services with the intention of selling such goods and services at a profit. If you are an employee, or if you are an investor, you are not in business even though your activities may be similar to those of someone in business.

If you are in business, supply the amounts, details, and documentary support as appropriate:

Full Name _____

Business Name _____

Business Address (include city, province and postal code) _____

Business Telephone # _____

Your main product/service _____

GST/HST Registration # _____

If a partnership, the name and SIN of your partner(s) and their % interest

Internet Business Activities - If you have business, professional, farming or fishing income, please indicate whether you have Internet business activities. According to CRA, Internet business activities include any activity where you earn from your webpages, websites, or Apps. Information only webpages and websites like directories or ads will not generally trigger this information requirement. If you have business activities, please provide

- The number and address of webpages or websites that your business generates income from.
- The percentage of income generated from the internet. (if you do not know the exact percentage, provide an estimate.

2. Sales & Revenue (please report GST/HST collected / paid separately**)

Income (from sales, commissions, or fees)

(report GST/HST here)

Report your income for the year from Sales, Comissions or Fees. This figure must not include HST and must be net of returns, allowances and discounts.
